Regeln: **Copenhagen match play modus** (with three players)

The winner of a hole gets 4 points, the second placed gets 2 points and the third placed 0 points. Shared winners and one third placed gives 3-3-0, All shared gives 2-2-2 and a winner and two seconds gives 4-1-1. Putts may be given if all opponents agree. If a player persists to hole out after the points are settled the other players should disqualify her/him.

After 18-holes the points are added and the player with the most number of points in each flight gives her/his team 4 points, the second 2 points and the third 0 points. All shared possibilities will follow the hole modus as above.
